## Internship Program Admissions

**Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:**

Gateways CONREP's Doctoral Internship Program (DIP) currently offers 4 full-time internship positions. Gateways CONREP's DIP bases its selection process on the entire application package submitted through AAPI; however, applicants who have met the following qualifications prior to beginning their internship are considered preferred:

1. A minimum of 500 intervention hours;
2. A minimum of 50 assessment hours (preferred, not required);
3. Dissertation proposal defended (preferred, not required);
4. Some experience or special interest in working with diverse populations;
5. Practicum experience with severe mental illness, substance use disorders, and/or forensics (preferred, not required);
6. Current enrollment and good standing in an APA- or CPA-accredited clinical, counseling, or school doctoral program.

**Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:**

|   |     |    |                                    |
|---|-----|----|------------------------------------|
| Total Direct Contact Intervention Hours | Yes |    | Amount: 400                        |
| Total Direct Contact Assessment Hours   |     | No | Amount: Preferred number, 50 hours |

**Describe any other required minimum criteria used to screen applicants:**

Interns who match to the site are required to successfully complete a fingerprint-based background check as well as a pre-employment health screening performed by Kaiser, a TB screening, and a urinary drug screen, the latter of which tests for substances including alcohol, marijuana, amphetamines, and other stimulants. Presence of these substances could constitute a failure and jeopardize hiring.

| <p><b>Other Benefits (please describe):</b> Gateways CONREP's Doctoral Interns have access to numerous resources. All Interns are provided with individual offices, a desk, a laptop computer, an office phone, voicemail, printers, software, an ID badge, office keys, an alarm button, and basic office supplies. Intervention manuals, assessment supplies, additional training materials, and access to the DSM-5-TR and California Penal Code book are provided by Gateways CONREP's DIP. Additional materials needed or requested may be purchased using Gateways CONREP's funding with the Training Director's and Executive Director's approval. The Interns are encouraged to volunteer at the Forensic Mental Health Association of California's annual conference, hosted in San Diego, where their conference attendance and accommodations will be paid, as Gateways CONREP partners with FMHAC each year to provide student volunteers. Each Intern also has access to administrative and IT support. Interns are afforded a free parking pass for the entirety of their internship year so they can park for free in the office garage.</p> |   |  |
